

St. Malachy's College

36 Antrim Road, Belfast BT15 2AE

June 2024

Dear Parent/Carer

We have now come to the end of another busy academic year and yet again the boys must be commended for developing many fine skills during this academic year. They are real ambassadors who not only learn to give of their best within the classroom but also involve themselves in extra-curricular participation and activities which support others. These are the valuable traits of a typical Malachian.

Your son's report is now available on ParentApp. It provides you with a sense of how he has performed during his second year at the College and the progress he is making to date. Please take time to read over the report with him and help him to prepare for the next stage and to be ready to embrace all the challenges and opportunities of next year and beyond. We are very proud of the way in which our boys have remained engaged with us over the past two academic years, and they have demonstrated commendable resilience and as such made our College family even stronger and more cohesive. I am very grateful to Miss Bell and the Year 9 pastoral team for all of their support over the past academic year. If you have any concerns about your son's progress please contact Miss Bell, Head of Year. The College site will remain open for most of the summer break and our teaching staff team will be returning to the College site on 20 August.

You will receive further correspondence during the Summer, via ParentApp, informing you of the arrangements for the beginning of 2024-25 academic year. In the meantime, please note that **your son will return for an Induction session on Wednesday 28 August, 9:30 – 12 noon. Year 10 pupils are then not required to be in school again until Monday 2 September, when academic classes shall commence.**

We also remind you of our College regulations and adherence to the uniform which should be worn correctly and with great pride, including hair styles. Therefore, we look forward to welcoming all students back, prepared to practise all of our routines which help to bind us together as a closely-knitted and special College family unit and team. In the meantime, we wish you a relaxing and enjoyable Summer.

Gloria ab Intus,

Mr P McBride
Principal
